**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches. IEP Students are those students eligible to receive special education services.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

**Total Enrollment** is based on Home School.

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.  
 Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.  
 Total school tax rate is a district's total tax rate as it appears on local property tax bills.  
 Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.  
 Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

### OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

**ISAT PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

## PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

**ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)**

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

**Four Conditions Are Required For Making Adequate Yearly Progress (AYP):**

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 85% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 85% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. At least 91% attendance rate for non-high schools and at least 82% graduation rate for high schools.

\* Includes only students enrolled as of 05/01/2010.

\*\* Safe Harbor Targets of 85% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

**Mokena Junior High School  
School Improvement Plan Goals  
2011-2012**

In an effort to show improvement at Mokena Junior High School, the following goals have been established for the 2011-2012 school year.

**Goal 1**

*To improve data based decision-making in order to facilitate increased student achievement and to meet Adequate Yearly Progress goals of 85% or higher in all subgroups in Reading and Math*

**Action Steps:**

- Utilize ISAT Data to assess and determine weaknesses in the core curriculum
  - Share any concerns with the appropriate curriculum committee with recommendations for changes or improvements
- Utilize AIMSweb testing data in reading and math to determine weaknesses in the core curriculum
  - Make minor adjustments to the core curriculum during the school year to address the needs of the students
  - Make changes in the delivery of special education including the use of Corrective Reading and other appropriate interventions
- Utilize AIMSweb testing data in reading and math to identify individual students who are in need of intervention
  - Provide necessary intervention to students in need in the regular classroom whenever possible
  - Utilize scientifically based programs to provide intervention to the students who show the most need
  - Work with the special education department to increase the specific interventions for students who are in tier two and tier three
  - Spend the school year planning and devising methodologies to include time for interventions in the regular school day
- Use classroom grades, local assessment information, and teacher recommendation to identify students who are in need of intervention.
  - Utilize the Response to Intervention Model for identification of students in need of intervention and or Special Services

**Goal 2**

*To enhance the current MJHS building climate by promoting the use of respect, responsibility, and collaboration by all students and staff functioning as community leaders*

**Action Steps:**

- Analyze student discipline data to determine frequency and duration of behavior problems
  - Utilize Early Release days to conduct Rachel's Challenge lessons to address the areas of bullying, citizenship, drug and alcohol awareness, respect, responsibility and other minor discipline issues
  - Work with the staff, students and community to implement the concepts of Rachel's Challenge
  - Work with individual students and their parents to modify their behavior
- Increase the amount of clear communication coming from the school
  - Utilize the voice and email features of Connect Ed for more frequent messages
  - Publish a monthly online newsletter
- Meet with constituency groups to garner input
  - Continue to hold regular Meteor Coffee meetings with parents
  - Administration will meet regularly with student groups
